Saint Michael and All Angels 2015

Dear Dr Schirmmacher,

I have heard from Bishop William Mikler of your consecration to the Historic Episcopate this Thursday 01 October, 2015. I am sorry that previous commitments keep me from participating your consecration.

I write to add my welcome to you as you take up this "Office" and pray that your ministry will be deepened and that many will receive even greater leadership and service through you.

Please know that I will be remembering you in prayer this Thursday.

Hopefully one day we shall meet.

Every Blessing,

+Sean
