

The devastating Situation Christian Minorities face in non-democratic Countries

Why Christianity increasingly suffers from discrimination and persecution

An article I wrote appeared with the above mentioned title in:

- CDU/CSU Parliamentary Group in the German Bundestag (ed.). Compass "C", Berlin, 2017. pp. 61–68.

The book contains additional articles on religious freedom by Franz Josef Jung (pp. 43–46), Ahmad Mansour (pp. 55–60), Heribert Hirte (pp. 69–72) and Volker Kauder (on the International Parliamentary Association, pp. 73–78).

The book, which contains 92 pages, begins with articles by the Chairman of the German Bishops' Conference, Cardinal Reinhard Marx, and the Chairman of the Council of the Evangelical Church in Germany, Bishop Heinrich Bedford-Strohm.
